Legacies amounted to £2,290 10s. 10d. of which sum £1,602 6s. 1d. was allocated to the Extensions' Fund. During the past year, the Association of Friends contributed £8,000 to the Maintenance Fund, being £1,000 in excess of that for 1936, and the largest contribution yet received from the Association in any one year.

The Expenditure for the year amounted to £25,353 0s. 3d., which was £2,344 4s. 4d. more than in the previous year.

The Income exceeded the Expenditure for the year by £1,625 7s. 4d.

The overdraft at the Bank on the General Maintenance Fund at the end of 1937 was £6,252 11s. 1d., a reduction of £1,438 13s. 5d. for the year.

ANNUAL SUBSCRIPTIONS.

While the Trustees regret that Annual Subscriptions did not increase last year and indeed they were £16 less than in the previous year, the Board are grateful to present subscribers for continuing their support during the past year, as they are also to those who have recently become regular subscribers, and AN EARNEST APPEAL IS MADE TO THOSE RESIDENTS WHO ARE NOT ALREADY SUBSCRIBERS TO BECOME REGULAR SUPPORTERS OF THEIR HOSPITAL.

INCOME TAX—NOTICE TO ANNUAL SUBSCRIBERS.

The Hospital can reclaim Tax and thus increase the amount of subscriptions by over 30 per cent. WITHOUT ANY ADDITIONAL COST TO THE SUBSCRIBER, if an undertaking is given to pay the subscription for a period of seven years.

A Form of Agreement necessary for the purpose will be found on page 34a.

BOARD OF MANAGEMENT.

Mrs. Stearne has been appointed a Representative Trustee by the Bench of Magistrates for the North Division of the Lathe of Aylesford, in succession to the late Mr. R. D. Batchelor.

Mr. L. J. Newnham has been elected a Co-optative Trustee in the place of Mr. Shelton, resigned, and Mr. A. W. G. Woodforde has been appointed a Co-optative Trustee, consequent upon the retirement of Dr. F. Cowan.

The representatives of the Association of Friends on the Board of Management for the ensuing year are :

Alderman F. G. Luff, Capt. E. McDonald, Mr. F. W. L. Philp, Councillor G. R. Stevens, Councillor V. J. Stuart and Mr. R. A. Knight.

HONORARY MEDICAL & SURGICAL STAFF.

It is with sincere regret that the Trustees have to report the resignation of Dr. F. Cowan, Senior Hon. Physician, who for 41 years has been a member of the Honorary Medical Staff, and a member of the Governing Body since 1921. In recognition of such long and valuable service to the Hospital, Dr. Cowan has been appointed an Hon. Consulting Physician. The vacancy on the Senior Medical Staff, consequent upon Dr. Cowan's retirement, has been filled by Dr. H. A. Douglas, the Senior Asst. Physician and Dr. I. Wolpert has been appointed on the Assistant Staff to fill the vacancy thus created.

Dr. S. A. Bather has been appointed an Hon. Assistant Anæsthetist in place of Dr. Dorothy Howgate, who has left the district to take up Missionary work in Persia.

LADIES' LINEN LEAGUE.

The Trustees have once again to place on record their deep appreciation of the inestimable assistance given the Hospital by the Ladies' Linen League during the past year, through which Organisation, garments and equipment to the value of close upon £600 have been received, in addition to which, a very acceptable gift of woollen garments was graciously presented by H. M. Queen Mary, Patroness of the Hospital, per the Dowager Countess of Darnley. The Chatham Branch is also contributing four Dressing Tables for the centre of the new wards,

For the affection and loyalty to the Hospital expressed by these gifts, mere words of thanks are inadequate, but the Trustees desire to record their sense of gratitude to Lady Darnley ; to Mrs. Wharton, the Hon. Secretary, and to the Hon. Branch Secretaries and all the members of the League, for such zealous service.

EXTENSIONS' APPEAL.

The contributions to the Extensions' Fund now total £75,771 13s. 8d. and the expenditure to date amounts to £104,795 13s. 10d. The Fund was therefore over-spent to the extent of £29,024 0s. 2d. at the end of the year.

Since the last report, the two enlarged and reconstructed wards have been occupied by patients. The sun balconies have greatly improved the appearance of the wards and are a boon to the patients, by whom they are much appreciated.

The West Wing Wards are now under reconstruction, and should be ready for occupation in the coming summer.

In order to increase accommodation for the extra Nurses required in consequence of the adoption of the ninety-six hour fortnight, a further nine bedrooms are being added to the Nurses' Home which was opened last year. The cost of providing and furnishing these additional bedrooms will be approximately £1,300.

ASSOCIATION OF FRIENDS.

The Association of Friends last year contributed no less a sum than £8,000 to the funds of the Hospital, thus exceeding their contribution for the previous year by £1,000, being the highest contribution on record. The Association are thus entitled to have six representatives on the Governing Body, whose names have been mentioned earlier in this Report.

To all those who have contributed to the extraordinary success of the Association, either by means of subscriptions, personal service or both, the profound admiration and gratitude of the Trustees are due.

RADIO-THERAPEUTIC DEPARTMENT.

This Clinic primarily exists to give all possible assistance to patients suffering from Cancer.

During the past year 116 malignant cases passed through the Department and in addition 105 non-malignant cases received Radium treatment, making a total for the year of 221 new patients.

The average number of patients attending the Department weekly during 1937 was 32.6.

A further 100 mgs. of Radium are required, so as to bring the Hospital's supply up to 500 mgs. Further, the Trustees have decided that at the earliest opportunity and when circumstances permit, the necessary steps shall be taken to bring the standard of the Deep X ray treatment of Cancer up to that already attained by Radium Therapy. This will involve an additional Deep X ray Therapy Set; the equipment to be accommodated in a special building separate from that of the X ray Department.

CONTRIBUTORY SCHEME.

In October last, the Trustees adopted a Contributory Scheme, operating as from 1st January, 1938.

Under the Scheme, regular contributors of not less than 2d. per week are entitled to Hospital treatment and certain additional benefits for themselves, their wife and dependent children up to the age of sixteen.

CONVALESCENT HOME LETTERS.

Gifts of Convalescent Home Letters are of the greatest value to the Hospital and to the patients, to whom a few weeks at a Home are of considerable benefit.

In addition to the Special Gifts previously referred to in this Report, the following are recorded with warm appreciation :—

APPRECIATION.

To the Clergy and to the Ministers of various denominations for their co-operation on Hospital Sunday; to Employers, Foremen and Employees and those who collect and give weekly subscriptions; to the Local Fire Brigades and Ambulance Services, for their many efforts on behalf of the Maintenance and Extensions' Fund; to the Police for supplying information in connection with Motor Car Accident Cases, etc., to the Press, and to blood donors for their sacrificial service, during the past year, the warmest thanks of the Trustees are due.

It is impossible to find an adequate expression of indebtedness to the Honorary Staff, who in the Wards, the Operating Theatres, the Lecture Room and the Out-Patients' Department, so ungrudgingly give their services at all times.

CHAPLAIN'S REPORT.

It will be good news to all who love the ancient chapel of St. Bartholomew, to know that during the past year the fabric of the building has been put in sound repair. The roof has been stripped and re-covered. This has been done through the generosity of Mr. Charles Willis, J.P., one of the Brethren, who undertook to bear the whole of the charges. In addition, out of the Bailey bequest, the Dean & Chapter have caused a new heating apparatus to be installed and have furnished the Chapel with new chairs. It is proposed as soon as the building is dry enough, to repair and redecorate the interior walls.

To commemorate the 50 years' chaplaincy of the late Rev. John Bailey, a memorial window has been erected in the North wall of the chapel, representing Hugh de Trottischiffe, the original architect of the chapel.

During the past year the Sunday Services have been well attended by the staff, particularly in the evening.

The work among the patients has been regularly carried out and I am grateful to the Sisters for their willing co-operation. My assistant curate and I endeavour to cheer and comfort the patients and to be available to any who need our help. The increase in the number of communicants in the wards is very encouraging.

During the past eight months it has been possible to give to every patient a free copy of the Chatham Parish Church Magazine, in which one page is reserved for a message to the patients.

I should like to thank the Superintendent-Secretary and the Matron in particular for the great help they give me in my work.

C. A. H. LOWE, *Chaplain.*

ALMONER'S REPORT.

During 1937, 8,415 new out-patients were interviewed in the Lady Almoner's office. Part of the Almoner's work is to see all these new patients and settle the cost of their treatment. All regular subscribers are passed for free treatment on bringing their voucher from the source where they subscribe, and at least 50% of the patients attending subscribe either through their place of employment or through a box at home. Of the remainder, some are in a position to pay a small regular amount and others, on enquiry, are found to be managing on such a small income that they could not be expected to pay or even contribute to a box at home. These are in all cases treated free.

The Lady Almoner is in a position to hear of many worries or difficulties in the family, although it would be idle to pretend that she comes to hear of everything where there are so many to be seen and such a short time to give to everyone. However, small things often come to light where advice can be given. It may be just to give a note of introduction to the Juvenile Employment Bureau for some young patient, fit to work and anxious to find a suitable job, or a note to Sister Jones for a mother worried about an elder daughter. Sometimes an old couple, too shy and retiring to think of applying to the Relieving Officer for help, are found trying to manage on a ridiculously small pension hardly enough to feed one of them. A telephone call to the Relieving Officer can adjust this, and the Relieving Officers of this Area have been most helpful and unfailingly sympathetic in any case for whom their help has been asked. In many instances they have arranged for grants for extra nourishment or special diet and have paid fares for patients attending Hospital from long distances. The fare to the Hospital is one of concern in many cases, and a number of people have placed their cars at the service of the Hospital and bring patients to and fro for treatment. We are very grateful indeed to those who are already helping our patients in this way and would be glad to have more offers of assistance of this kind from those who can give the time.

Arrangements for the supply of surgical appliances and glasses are also made through the Almoner's department and as these are often expensive, help is obtained wherever possible, from every existing fund. Here the Public Authorities have been most co-operative. Grants have been made by the local Education Authorities and Public Assistance Committee and we very much appreciate the help given by the Gillingham Blind and Cripple Guild, Dockyard Sick Fund, Royal Naval Benevolent Trust and local branches of the British Legion, as well as the Mayor of Chatham's Fund and the Strood Trustees.

One of the most constructive ways of helping our patients is to provide convalescent treatment. The Education Authorities have given grants for this purpose, as have also the Mayor of Chatham's Cot Fund and the Strood Trustees. The patients themselves have contributed what they were able at the time and have come home very happy and much improved in health from Bexhill, Broadstairs or Hastings, wherever they have been staying. I sincerely hope that during 1938 the work of social service may be enlarged.

E. DAVIS, *Almoner*.

CONVALESCENT HOMES

The value of after treatment and rest at a Convalescent Home cannot be over estimated, and gifts of "Letters" for the use of the patients are earnestly asked for to enable the Committee to send more cases to Homes than the Hospital's Funds will permit in the ordinary way.

PAY BEDS.

Paying Patients are now received at a charge of not less than £3 13s. 6d. per week, exclusive of Medical and Surgical Fees. All applications for admission, other than cases of emergency, must be made on the prescribed form which may be obtained from the Secretary.

The Common Problem, yours, mine, everyone's,
Is not to fancy what were fair in life
Provided it could be, but finding first
What may be, then find how to make it fair
Up to our means—a very different thing.

Robert Browning.

FOREWORD

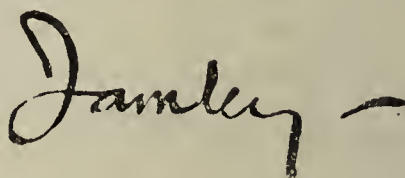

DEAR FRIENDS,

It is my privilege to record the valuable help which the Friends have rendered to the Hospital during the past year, for I am deeply sensible of their claim upon our gratitude and of the importance their support and enthusiasm are in the Cause to which our Association is pledged.

During the year we now review, new interests were awakened, new members gained, and our gift to the Hospital increased to £8,000. The Friends may indeed be proud of this achievement and of the success which has crowned their work.

And what of the future? It rests with the enrolment of new Friends and the sustained support of the Friends already enrolled who have shown their interest in the Hospital by their generous deeds in 1937. With the memory of these we look forward to the future with confidence.

Yours faithfully,

A handwritten signature in dark ink, appearing to read "Stanley", followed by a horizontal dash.

Chairman.

COBHAM HALL,
KENT.

April, 1938.

Report, 1937.

The Committee present their 9th Annual Report and have the pleasure to record that, as the result of the efficient organisation carried out by the Branch Committees, there was an increase in membership and in contributions during 1937.

Special reference must be made to the splendid work of the Hon. Secretaries, the value of their assistance cannot be appraised and unlimited thanks are due to them, to all members of Committees, and to the Hon. Stewards, for the generous service they give to the Hospital.

The Committee acknowledge with sincere thanks the help rendered by the officers, members of Committees and Hon. Stewards who have resigned ; their assistance was invaluable and although they are no longer actively engaged in the work of the Association, the Executive hope to retain the interest and support of these kind friends.

The loss of Friends who passed onward during the year is deeply deplored. The Committee record with much gratitude the sympathy and loving devotion they gave to the Cause of the Hospital. Their help and support will long be held in remembrance by all who were associated with them.

The audited Statement of Receipts and Payments on page 16 discloses a satisfactory ending to the Committee's financial year. The additional expenditure is due to the expansion of the Association's work and liabilities : payments to the Kent County Council Public Assistance Committee for the treatment of members admitted to Chatham and Minster Hospitals are, in part, responsible for the increase but the Committee are assured when the people more fully realise the advantages which membership gives and the value of united co-operation a proportional measure of support will result.

During the past eight years the following Grants have been made to the Maintenance Fund of the Hospital :—

1931	£4,500

The Committee were pleased to avail themselves of the kind offer made by Lord Austin, to supply a small car for use in the work of the Hospital at a cost of £65. Towards this amount £34 1s. 0d. has already been subscribed, and sincere thanks are due to the generous friends who have assisted this special fund.*

MEETINGS.

The chief event of the year was the meeting in the Deanery Gardens, of Branch Committees and Hon. Stewards by invitation of the Dean of Rochester, Dr. Francis Underhill, and Miss Underhill. Five hundred Friends were present and during the afternoon the Dean, on behalf of the Trustees, presented badges, designed by Sir Edward Guy Dawber, R.A., to all Friends who had completed five years voluntary service in the work for the Hospital. Tea was generously provided by a Trustee who asked that his name should not be disclosed. Sincere thanks are due to the Trustees for their recognition of the work of the Branch Committees.

* At time of printing the report additional donations totalling £17 14s. 6d. have been received.

Well attended public meetings were held in forty-four Branches during the year, and among the many friends connected with them and deserving special thanks are the members of the Music and Dramatic Society for their talented performances which gave much pleasure to everyone present, the Branch Committees for excellent arrangements and hospitality, also those friends who on many occasions provided free accommodation for these happy assemblies.

THE CHRONICLE

First published in 1931, the Chronicle continues to give pleasure to its readers, and the Chairman of the Editorial Committee, Mr. R. C. Bampton, and his co-members are to be congratulated upon its popularity. The Committee desire to gratefully acknowledge the generous help received from Messrs. Bowater and Lloyd, Sittingbourne, who supplied the necessary paper free of charge. The assistance given by the publishers, Messrs. Mackay, Ltd., by Mr. N. S. B. Miller in the compilation of the Chronicle, and by the Committee members and Friends who distribute it, is much appreciated.

ST. BART.'S OWN DAY

The generous response made by the public on Flag Day was most encouraging, and sincere thanks are due to the Chairman, Mr. A. D. Littlewood, to his energetic band of organisers, and to all friends who gave assistance for the success they achieved. The Committee value the support received from the Civic Authorities and Urban District Councils, and much appreciate the courteous consideration given by the County and Rochester Police.

THANKS

The Committee have the privilege to express their sincere thanks to The Very Rev. Dr. Francis Underhill, late Dean of Rochester, who resigned the Presidency of the Association upon his preferment to the See of Bath and Wells. The support which Dr. Underhill so unfailing gave to the Committee and his kindly interest in the progress of our Association are gratefully remembered.

The Committee acknowledge the valuable help given by organisers of fetes and special events, by donors of gifts in kind and money, and by friends who in many and varied ways have assisted the Association's fund. Limited space forbids the mention of these friends by name, but the gratitude due to them is unlimited and cannot be adequately expressed.

The object of this League, which consists of President, Vice-Presidents, Secretary, Treasurer, Working and Honorary Members, is to provide for the supply of Garments, Linen, Blankets, etc., required for the use of In-patients of this Hospital.

REPORT FOR 1937.

It is a very sad report in one way this year, as our much loved President is, I fear, resigning, and who can take her place ?

The work of the Branches has progressed, and we hope to start the Branch at Hoo again.

Your Secretary has attended Whist Drives at Chatham and Rochester.

Our President presented the prizes at the Chatham Whist Drive on October 26th, at the Rochester Whist Drive

on November 16th and attended the Show of Work at Rainham on November 17th.

From our Funds we have spent £87 12s. 10d., on linen sheeting and green casement cloth for Surgeon's gowns. This is a larger amount than usual, so our balance is smaller.

MISS EDMONDS' COLLECTION IN STROOD.

This is 1/6 more than last year, and again includes £2 2s. from Mr. Harwood, the rest being mostly in small sums, which means Miss Edmonds has spent much time in collecting the grand total—£6 18s. 6d.

BORDON LADIES' WORK PARTY.

Mrs. Turner sent us £8 8s. from these Ladies.

MRS. WHARTON.

My willing friends have made 18 Children's bed-jackets and one Women's jacket.

FRINDSBURY W. I. PER MRS. R. COBB.

Owing to Mrs. R. Cobb's son's illness I have not yet had a Report but I am sure the work will be there.

MRS. R. WAKELEY

Has collected £6 9s. 6d.

MRS. STEPHENS, Rome House

Has collected £9 9s. 0d.

CHATHAM BRANCH.

MRS. VINCENT, Branch Secretary reports :—

Chatham Branch has again had a successful year. The Mayor and Mayoress (Councillor and Mrs. H. J. Stearne) have given their help and support and interest in our work. The Dowager Countess of Darnley kindly presented the prizes at our last Whist Drive, and together with Mrs. Wharton attended our Show of Work on October 26th in the Mayor's Parlour, Town Hall, Chatham. This year the Branch is presenting to the Hospital 295 garments together with three or four Portable Ward Dressing Wagons.

RAINHAM BRANCH.

The average attendance of members at our fortnightly meetings has been 32, which has brought about the happy result of sending 692 articles to the Hospital including 68 woollies. Our membership is now nearly 80, having gained a few new members during the year. The Eleventh

Annual Show of Work on November 17th was opened by Mrs. Adam Maitland; Lady Darnley, Mrs. Wharton, and the Matron were also present. There was a general feeling of regret amongst the members when they learned that Lady Darnley was retiring from her presidency. The Hall was crowded in the afternoon, and again in the evening for the Whist Drive and Dance. All members are definitely as enthusiastic as ever. The result was highly gratifying both financially and socially.

GERTRUDE L. BATT,
(Assist. Sec.)

SHEERNESS.

We have had a successful year's work, running Whist Drives &c., for meeting our expenses, and we have been able to send over 310 articles to the Hospital.

E. F. WOODFINE,
(Hon. Sec.)

MINSTER.

The Branch are sending a cheque for £9 0s. 0d. towards the Linen League Funds; we wish the amount had been twice as much, but we keep hoping that as time goes on, we shall send more.

EDITH O. RUFF,
(Hon. Sec.)

HIGH HALSTOW.

Have sent 93 garments. Money spent—£6 4s. 3d.
In hand—£1 11s. 1½d.

W. N. HARRISON,
(Hon. Sec.)

ROCHESTER.

Owing to Prebendal House being closed, where Mrs. Lanchester King for some years has most kindly allowed the Branch to meet, the Branch now meets at the Guildhall the first Thursday in the month, at 11 a.m. There has been a Committee formed with Mrs. Speyer as Hon. Sec., and Mrs. Wraight as Hon. Treasurer. On November 16th they had a successful Whist Drive and Show of Work, all really beautifully made. Our President attended and gave the Whist prizes. There are 14 new members and 645 articles were sent in.

MRS. SPEYER,
(Hon. Sec.)
